Motivation

What motivates you as a person? Does this motivation change during different situations?

• What motivates you as a student? What makes you go the extra mile, try harder in class, hand in assignments on time, etc?

• What would motivate you as an employee?
What type of boss would you have to have in order for you work to be at your maximum potential?

• How do you view reward systems?
• I.e. Gold star for a job well done.

Valuable Experiences Worksheet

• Complete the Valuable Experiences worksheet.

• This worksheet is due tomorrow and will be discussed as a class and then collected for feedback purposes.
